

Bible Reading Plan

WEEK 25
OCTOBER 5 - 11

Using The Bible Reading Plan

The mark of a growing disciple is the discipline to self-feed. During this unprecedented time, the Lord is redirecting His people to pause and rediscover Him and His ways afresh. This is the heart behind our Bible Reading Plan - that we, as a church will delight the Father when we are growing in our love for Him and allowing His Spirit to move us in obeying His Word in our lives.

The Bible Reading Plan comprises a daily passage with reflection questions to guide you in meditation. You can also journal what God's Spirit is prompting you to do in applying the Word. We pray that as you carve out unhurried time to encounter God, you will revitalise your spiritual life and encourage others to experience likewise!

This Week's Focus

We start with the topic of submission in the midst of unfairness. One of the struggles believers will commonly face in such situations is doubt. As a result, we struggle to trust God and His ways. This week, we will examine this topic of doubt through the various readings. May you be encouraged by our trustworthy God in His Word.
